How to order

The Message

Dear friends,

Winter extra for the busy collector, including The Snowman and his (snow)wife. This newsletter features some really old and seldom seen fine stamps, some issued almost 100 years ago.

By popular demand we have again a section of stamps from the Vietnam War, the special Military Stamps issued by North Vietnam, some with very aggressive designs.

Please note that as always everything is offered subject unsold and several items will sell out soon, so your early order is advisable.

Enjoy!

A. Backman
